The Best Way? Go To Your Doctor
No sense in running from one doctor to another! Select the best one, then stand by him. No sense in trying this thing, that thing, for your cough. Carefully, deliberately select the best cough medicine, then take it. Stick to it. Ask your doctor about Ayer's Cherry Pectoral for throat and lung troubles.

A woman thinks of her appearance before everything else. She wouldn't be a woman if she did otherwise. She must obey the dictates of fashion, and fashion, by the way, is just as imperative in the matter of footwear as in the other requirements of feminine wardrobe.

NEW TAN AND GUN METAL BOOTS

Only when you have seen the new summer models can you fully appreciate the beautiful proportion secured by a combination of the Frenchy short vamp and the season's gracefully modeled uppers.
